**G D A**  
I will give thanks to You, you are so very, very good,

Your love endures forever.

O Your love endures forever,  
**Bm A**  
Your love endures forever,  
**Bm G A G-D-D-A**  
Your love endures forever, amen.

**G D A**  
You answer me and you set me free,  
**G D Bm A**  
You live in me, I will not be afraid.  
**Bm G**  
O what can a man do to me?  
**Bm A**  
For You are always with me,  
**Bm G A G-D-D-A**  
My help and my triumph over my enemies.

**Em Em7 A**  
I take my refuge in You O Lord,  
**Em Em7 A**  
No trust in the ways of a man.  
**Em Em7 A**  
I take my refuge in You O Lord above,  
**G Em A**  
No trust in the princes of the land.

**G D-D A G D Bm A**

**G D**  
Though my enemies surround me,  
**A**  
in your Name I cut them off!  
**G D**  
They surround me on every side,  
**Bm A**  
in Your Name I cut them off!  
**Bm G**  
They swarmed over me like angry bees  
**Bm A**  
But they burned up just like dry thorns
